All moisture discounts and shrink will be to the nearest 1/10 point of moisture after the first point.

Custom dried corn: \$.15 per bushel handling fee will be charged and **must be hauled out within 5 days of delivery on a per load basis.**

Disposition of Grain: The driver will provide the scale operator with the owner's name or names, division of the grain, and disposition, (store, sell, contract, grain bank, price later, etc.). The driver should notify the scale operator when the last load has been delivered. If no instructions are given, the grain will be stored.

No storage charges if sold within 10 days of delivery. If not sold, storage will start from the date of delivery. Shrink and moisture discount will not be re-calculated.

Contracted Grain: Grain delivered against Cash sales and Basis contracts will be applied to the oldest contract first. Early delivery of contracted grain will not be allowed without prior approval. If delivered early, storage charges will apply and no early payment will be made. **HTA contracts must be priced prior to delivery to avoid storage charges.** Once contract(s) is filled, overrun will be stored unless stated on ticket.

Deferred Payment: Grain may be placed on deferred payment. Elevator must be notified prior to settlement. Grain placed on deferred payment cannot be changed. No premium will be paid at this time.

Farm to Terminal - Direct Shipment: All grain hauled directly to the terminal or processor will be settled on a load by load basis. Seller must accept the weights and grades of the delivery location. There will be no averaging of grades and discounts are subject to change without notice.

Treated Grain: **Any and all grain that contains treated seeds will be rejected.** If the load is dumped into our inventory, owner may be subject to one or all of the following: (1) no payment for the load: (2) punitive charges for contamination of our inventory: (3) further financial liability. **No exceptions!**

There will be no averaging of corn or bean discounts!
